

* We'd have solved racism and have peace in the middle east if not for this BS

→ I may have been just a teensy bit unreasonable at one point in this saga

Could there be any side issues that play a role?

- This situation reminds me of [Bad Thing] so I may be overreacting
- I was drunk/high/coming down while the conflict ramped up
- I'm not hormonally stable rn/am on new medication/am in poor mental health
- * Any of the above but it's the other party

What have you tried to resolve the conflict?

- Talk about it with other people to get their take
- Posted about it online (vague or otherwise)
- * Had a long exchange involving multiple wall-o-text messages from both sides
- In person conversation aimed at gaining understanding and finding compromise

What is the source of the conflict?

* Someone else being completely unreasonable

→ Two sides with different expectations, preferences, communication styles

○ I honestly couldn't tell you I'm baffled

→ I may have been just a teensy bit unreasonable at one point in this saga

What do you have in common with the other party?

- They must be lizards. For real.
- * We're too different to have anything in common
- I guess we both want a resolution to this drama
- We want different things but have the same underlying values
